

YHS 2018-19 Graduation Contract

We are proud of the students in the class of 2019. With your cooperation we will provide a formal, dignified ceremony to honor you, the student, your family, your teachers and classmates. Our goal is for everyone in attendance to be able to see each graduate and hear each graduate's name as it is announced.

Participating in commencement exercises is a school activity. Any violation of the following school rules and regulations of the Yukon High School handbook and Yukon School Board Policies will result in discipline for:

1. Inflatable beach balls, novelties or otherwise inappropriate items
2. Participating in behavior that disrupts, distracts or interferes with the graduation ceremony
3. Failure to cooperate with supervisory personnel

The following are possible consequences for misconduct during commencement:

1. Assignment to In School Suspension or Out of School Suspension
2. Assigned Community Service
3. Loss of privilege to attend Project Graduation
4. Other consequences as determined by the school administration

The student's diploma will be withheld and incomplete grades given until the assigned discipline consequence has been satisfactorily completed.
